

Job Opening: Production Hand

Wingham Memorials has been a trusted name in the monument industry since 1918. Current owners, Mac and Donna Anderson took over the family business from Donna's father, John in 1988. Their dedication to their customers has remained constant throughout the years. Everyone on our small team works hard to create distinctive memorials of lasting satisfaction, produced by us to the specifications of our customers.

We provide a variety of services to our customers and are currently looking to add a **Production Hand** to our team!

We are looking for an individual who has a keen eye for detail, a willingness to learn, and can work as part of a team. The Production Hand will help bring our drafts to life! Primary responsibilities include, but are not limited to; applying stencil, prepping monuments for sandblasting, and running the sandblaster.

We are looking for someone who is interested in starting a career in the monument industry. There are many opportunities for growth here at Wingham Memorials and we are excited to add someone to the team that is interested and willing to learn the art of monument making.

No experience required as we are willing to train the right individual!
Please submit a resume and cover letter to andgranite@bellnet.ca
